

THE ASSET & VISION

Broughshane & District Community Association Ltd

WHO ARE WE?

Since its inception in 1969, the Broughshane and District Community Association Ltd has been the driving force behind the steady improvement of Broughshane village and the surrounding area. With experience earned from many years of community leadership, the organization recognizes the importance of sustainable development and sees the former police station as a key asset in maintaining sustainable growth for all in the area.
